●●● Message from the President

Well it's that time of year again. The trees are up, tinsel is out and the Christmas lights are burning bright. On behalf of the Board of Directors I wish you all a very Merry Christmas and a Happy New Year.

Please remember to be safe across the festive season and not to over imbibe in the treats and goodies (you don't want to lose your match fitness).

The next hockey season is just around the corner and will be here before we know it.

Plans for the 2012 Hockey Expo are well advanced and I would like to thank that small group of dedicated workers who are toiling away well and truly outside the hockey season, to try and ensure our start to 2012 is bigger and better than this year.

The Hockey Committee will meet in early January to start looking at the 2012 hockey season proper and before we even know where to look hockey will be under way.

I think that everyone in the association should be congratulated on the hard work they did this year, be it as a coach,

manager, official or helping out their club to do those hundred and one things that need to be done to ensure hockey runs as smooth and problem free as possible.

At this stage 2013 promises to be an exciting year with a number of new challenges and possibilities, and will hopefully result in even more people enjoying our sport than ever before.

Don't forget to mark the Hockey Expo on the 11th February 2012 in your diaries and tell your friends and family to come along and experience our wonderful sport!

Regards
Scott Clark
President, Board of Directors
Toowoomba Hockey Association
